

Ctroniq
Wiz 5 Plus

Android | 5.5-inch | 2700mAh

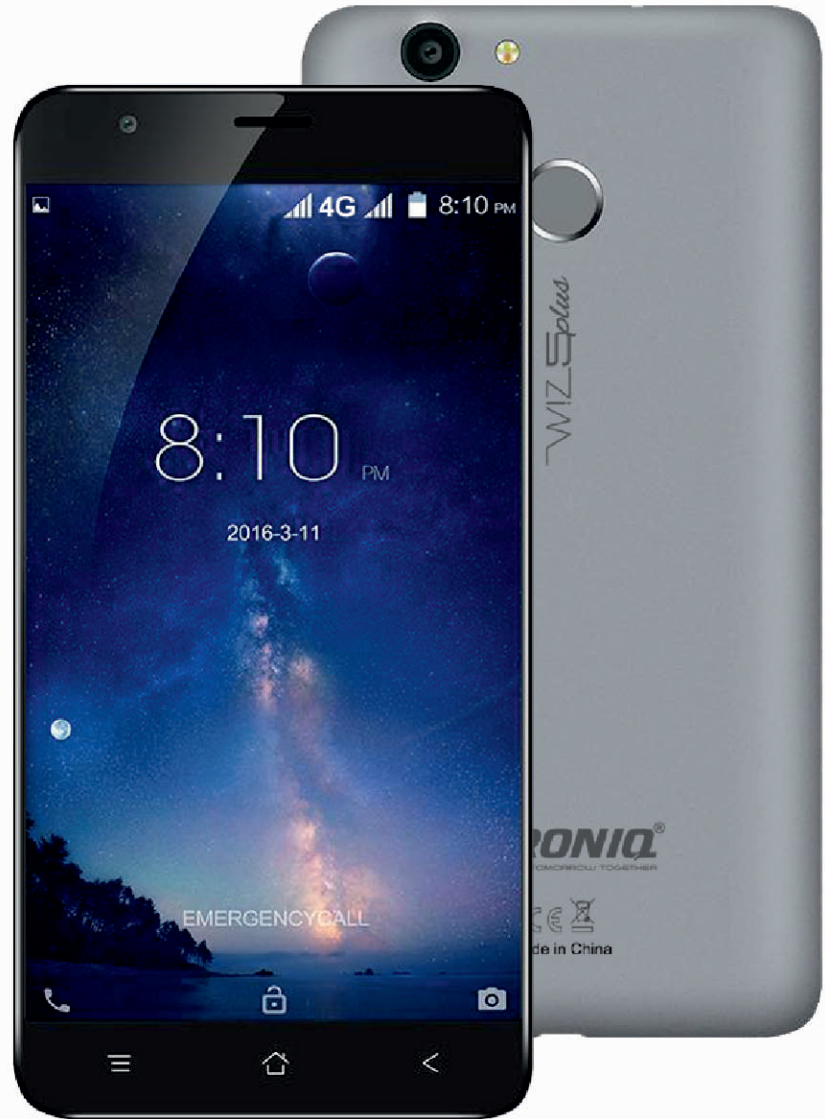

Ctroniq Wiz 5 Plus Dual SIM smartphone offers a wide range of cutting edge features to provide seamless connectivity and endless entertainment. Working on a user-friendly Android 6.0 Marshmallow operating system that provides a host of smart features to make your life simpler.

MORE POWER, LESS DRAIN: Wiz 5 Plus is powered by a 1.3GHz Quad-Core processor that uses a MediaTek MTK6737 chipset to handle all tasks efficiently. Equipped with a powerful battery ensures long stand by and talk time. It houses a 1GB RAM and an in-built 16GB storage expandable by 32 GB thanks to a microSD card slot.

GREATER CONNECTIVITY: With the 4G LTE network support, this smartphone gives you the freedom to enjoy high-speed internet connectivity while you are on the move.

INCREDIBLE DISPLAY, ELEGANT DESIGN: The 5.5inch, HD screen delivers outstanding color consistency as well as high clarity even in broad daylight. Available in a gray finish, this Ctroniq mobile has an eye-catching metal construction that exudes an elegant look.

HIGH-QUALITY LENS: The Ctroniq Wiz 5 incorporates an 8MP rear camera and a 2MP front camera to make the most of your photography needs.
